

HERITAGE *on* 6TH STREET

SALES RELEASE PROCEDURES

March 2025

Thank you for your interest in Heritage on 6th Street by Warmington Residential. If you wish to have an opportunity to be among the first to choose from the homes offered for sale, we ask that you obtain a prequalification status from our one of choice lenders, US Bank or Guild Mortgage.

1. Please complete the online application to begin the prequalification process. Be certain to fill it out as accurately as possible and include an adequate email address and phone number. After your prequalification application is submitted, the loan representative will contact you for any additional documentation necessary to complete the prequalification process.
2. The information on the documentation will be used to determine the likelihood of your financial ability to purchase. This does not constitute a loan approval. Priority will be given according to the information confirmed by US Bank or Guild Mortgage.
3. If the information on your documentation provided indicates that you are likely to qualify to purchase, your name will be added to our priority list. If more information is required for us to determine your financial status, your opportunity may be delayed.
4. If you are planning to purchase in the form of cash, proof of funds are required to be submitted to US Bank or Guild Mortgage as part of the prequalification process.
5. When you have been added to our priority list, you will be contacted by our sales team for an opportunity to make a home purchase at our phase release event. If you are able to select a home in a reasonable time, you will be asked to return for a home reservation appointment and to complete the necessary documents.
6. If we cannot reach you, we will try to leave a message and then proceed with other prequalified prospects.
7. When you make a home selection you will be required to complete our reservation process and submit a \$40,000 deposit. A signing appointment to complete the necessary contract documentation will be scheduled at the time you leave your deposit. If you are unable to make your appointment in a reasonable time, we will proceed with the next customer.
8. The Seller reserves the right to make changes in this procedure at any time without notice. All decisions by the Sales Management Team are final. The Seller reserves the right to sell certain homes prior to the selection event. We hope that this procedure will make purchasing a new home from us a pleasant experience for you.
